THE BENEFITS OF JOINING NEIGHBOURHOOD WATCH

City and County (Leicester and Leicestershire) Neighbourhood Watch is a registered charity which relies on subscriptions and donations to continue serving the local community. It was originally formed in 1998 to promote good citizenship and greater public participation in the prevention and solution of crime and community safety issues, in order to improve the quality of life for all citizens living in our area. .

Here are just some of the benefits members of our association enjoy:

- Less likely to be a victim of crime
- Possible discount on Home Insurance
- Public Liability Insurance for Neighbourhood Watch activity
- Regular newsletter, delivered to your door.
- Awareness of what is happening in your community

The association runs a busy office and telephone hotline staffed by volunteers. We meet regularly with the police, local authorities and other agencies to resolve a range of issues on behalf of our members, including complaints about anti-social behaviour, petty crime, and traffic problems.

HOW YOU CAN HELP TO MAKE A DIFFERENCE

Often it is the simple, everyday things that make a big difference in the fight against crime. For example:

- Learn your neighbours' names and be able to recognize them and their vehicles.
- Properly identify your property by post-coding, etching, photographing etc your valuables.
- Do not take any risks to prevent a crime or try to make an arrest. It is important to have a good witness.
- Observe and report any suspicious activities.

Report the non-emergency activities to your Association by phone on 0116 2710052 or email: info@neighbourhoodwatchleicester.net

To report a non-emergency crime to the Police, call 0116 – 222222. Emergencies or crimes in progress, report to the Police on 999 and then to your Association.
